COUNTY EXECUTIVE JAN GARDNER TO HOST ROUNDTABLE DISCUSSION ON SCHOOL CONSTRUCTION

FREDERICK, MD – Frederick County Executive Jan Gardner invites citizens to attend a roundtable discussion on school construction in Frederick County at 7:00 p.m. on Thursday, November 19, at Winchester Hall, 12 East Church Street, Frederick, Md.

“I encourage our residents to attend this timely and very important discussion on one of the most important education topics facing Frederick County today. We will cover such issues as the significant increase of the cost of school construction and how to keep school construction projects on track and on time,” said Executive Gardner.

The keynote speaker for the roundtable discussion will be Dr. David Lever, executive director of the Maryland Interagency for School Construction. He will provide information on the process at the state level, current statewide trends and suggestions for cost reductions.

Joining Dr. Lever will be Frederick County Public Schools’ Chief Operating Officer Ray Barnes and other local education experts.

The roundtable will be broadcast live on FCG-TV, cable channel 19, and webcast on www.FrederickCountyMD.gov/video.
